Re: Justice Reinvestment Grant – Klamath County

Dear Director Schmidt;

The Klamath County Board of Commissioners support the Justice Reinvestment Grant Application for Klamath County.

This application allows Klamath County to provide sanction capacity, mental health services and pre-trial services in our community. In addition, it provides necessary funding to our local crisis center for victim services.

These programs align with the goals of Justice Reinvestment by allowing Klamath County to plan, implement, or expand initiatives that reduce recidivism, reduce prison population, increase public safety, and hold offenders accountable.

Sincerely,

---

Donnie Boyd  
Commissioner
