Oregon reports 184 new confirmed and presumptive COVID-19 cases, 0 new deaths

PORTLAND, Ore. — There are zero new COVID-19 related deaths in Oregon, and the state's death toll remains at 2,137, the Oregon Health Authority reported at 12:01 a.m. today.

Oregon Health Authority reported 184 new confirmed and presumptive cases of COVID-19 as of 12:01 a.m. today, bringing the state total to 150,464.

Note: Case and electronic laboratory result counts are lower than anticipated today. This is likely related to the winter weather event and hazardous travel conditions.

Vaccinations in Oregon

Today, OHA reported that 6,693 new doses of COVID-19 vaccinations were added to the state immunization registry. Of this total, 3,650 doses were administered on Feb. 14 and 3,043 were administered on previous days but were entered into the vaccine registry on Feb. 14.

Cumulative daily totals can take several days to finalize because providers have 72 hours to report doses administered and technical challenges have caused many providers to lag in their reporting. OHA has been providing technical support to vaccination sites to improve the timeliness of their data entry into the state's ALERT Immunization Information System (IIS).

Oregon has now administered a cumulative total of 683,887 first and second doses of COVID-19 vaccines. To date, 885,250 doses of vaccine have been delivered to sites across Oregon.

These data are preliminary and subject to change. OHA's [dashboards](#) provide regularly updated vaccination data, and Oregon's dashboard has been updated today.

Note: The reduced number of administrations is likely the result of inclement weather.

COVID-19 hospitalizations

The number of hospitalized patients with COVID-19 across Oregon is 210, which is three fewer than yesterday. There are 53 COVID-19 patients in intensive care unit (ICU) beds, which is one more than yesterday.

The total number of patients in hospital beds may fluctuate between report times. The numbers do not reflect admissions per day, nor the length of hospital stay. Staffing limitations are not captured in this data and may further limit bed capacity.

[More information about hospital capacity can be found here.](#)

Cases and deaths

The new confirmed and presumptive COVID-19 cases reported today are in the following counties: Benton (7), Clackamas (7), Columbia (1), Crook (1), Curry (3), Deschutes (24), Douglas (13), Harney (4), Jackson (6), Jefferson (4), Josephine (4), Klamath (1), Lake (5), Lane (26), Linn (1), Malheur (1), Marion (6), Multnomah (23), Polk (3), Umatilla (3), Union (5), Washington (30), Yamhill (6).

Statewide	150,464	2,137

¹This includes cases confirmed by diagnostic testing and presumptive cases. Presumptive cases are those without a positive diagnostic test who present COVID-19-like symptoms and had close contact with a confirmed case. County of residence for cases may change as new information becomes available. If changes occur, we will update our counts accordingly.
